

## Industry Experience

- 2018  
today **Freelance Practice**, London, UK  
*Creative Designer*  
I bring my design expertise to projects that engage with creative technologies. I work across Art & Technology exhibitions, events, installations and performances.
- 2018  
2021 **Kai Lab**, London, UK  
*Co-founder and Creative Director*  
I led the design process of the studio's artworks from concept to production through visual and interaction design, prototyping and industrial design. The projects developed range from immersive soundscapes to interactive light installations and kinetic sculptures.
- 2019 **Random International**, London, UK  
*Creative Technologist*  
I took part in the research and development phases for new small-scale artworks using new interactive technologies.
- 2016  
2017 **Service Culture Paris Diderot**, Paris, France  
*Assistant Exhibition Designer and Event Curator*  
I assisted with the design, management and production of art and sciences exhibitions as well as concerts and other university events.

## Teaching Experience

- 2021 **Royal College of Arts + Imperial College**, London, UK  
*Visiting Tutor, MA + M.Sc Innovation Design Engineering*
- 2019 **University for the Creative Arts**, Canterbury, UK  
*Design Tutor, MA Interior Architecture*

## Education

- 2017  
2019 **The Bartlett School of Architecture**, UCL, London, UK  
*M.Arch Design for Performance and Interaction*
- 2011  
2016 **Institut National des Sciences Appliquées**, Lyon, France  
*M.Eng Civil Engineering and Urban Planning*
- 2013  
2016 **Ecole Nationale Supérieure d'Architecture**, Lyon, France  
*BA Architecture*
